GBHS Swimming Pool Rules of Use

The primary purpose of the pool is to provide for Golden Bay High School students and staff. The pool is owned by the Ministry of Education and subject to a property occupancy agreement with the Board of Trustees (BoT).

The BoT is committed to providing access to the community provided that this access does not unreasonably

- impact school access
- increase Health and Safety liability and risk
- be a burden on management time
- add significant financial cost

1. The GBHS BoT and Principal share responsibility along with users and school employees for Health and Safety. Health and Safety will be the top priority at all times.
2. The BoT may allow the pool to be used by other organisations and individuals, outside of normal school hours, subject to prior approval, and conditional on an appropriate signed agreement.
3. All pool users must comply with the *GBHS Swimming Pool Rules of Use.*
