BYOD & 1:1 Device Student and Parent Agreement

No student will be permitted to use personal technology devices unless the agreement is signed and returned.

Students and parents participating in BYOD & 1:1 Devices must adhere to the Golden Bay High School Student Code of conduct, as well as all Board policies, particularly Internet Acceptable User Policy and Internet Safety Policy.

Please read carefully and students initial every statement:

Signature	Guidelines for BYOD & 1:1 Device Users - Please sign next to each guideline below
	Students take full responsibility for their devices. The school is not responsible for the security of personal technology. Personal devices cannot be left at school before or after school hours.
	Devices cannot be used during assessments, unless otherwise directed by a teacher.
	Students must immediately comply with teachers' requests to shut down devices or close the screen. Devices must be in silent mode and put away when asked by teachers.
	Students are not permitted to transmit or post photographic images/videos of any person on school grounds on public and/or social networking sites.
	Personal devices must be charged prior to bringing them to school and run off their own batteries while at school. Charging will be available on a limited basis and is up to teacher discretion.
	To ensure appropriate network filters, students will only use the student wireless connection in school and will not attempt to bypass the network restrictions in anyway or by using 3G or 4G network.
	Students understand that bringing devices on premises to infect the network with a Virus, Trojan, or program designed to damage, alter, destroy, or provide access to unauthorized data or information is in violation of the AUP policy and will result in disciplinary actions.
	Golden Bay High School has the right to collect and examine any device that is suspected of causing problems or is the source of an attack or virus infection or is suspected of containing pornography / objectionable material obtained offsite and stored on the Student Owned Device.
	It is the owner's responsibility for the repair of any malfunctioning / damaged devices. Golden Bay High School does not supply technical services for student owned devices.
	Students should not physically share their personal devices with other students, unless they have written parent permission to do so.
	If a student on sells a device or misplaces a device they must inform the technicians. Until this has been done the individual registered to that device is still responsible for the device.

Please understand that the use of personal devices to support educational experience is not a necessity but a privilege. With respect of the rules, this privilege will benefit the learning environment as a whole.

I understand and will abide by the above policy and guidelines. I further understand that any violation is unethical and may result in the loss of my technology privileges as well as other disciplinary action.

Golden Bay High School Permission to Publish Student Work, Images & Details

Dear Parent/Legal Guardian/Caregiver

As technology is a more widely used form of communication with parents and the wider community, we must be aware also of the privacy factors of everyone and especially keep the best interest of the students in mind.

- Please read this page carefully as it includes information about safety and security issues associated with privacy.
- Indicate your preference with regards to the sharing of your child’s personal information.
- Complete and sign the form.
- Return this form to the school. (A copy will be returned to you for your records.)

You are welcome to contact the school to discuss this Privacy Agreement if you wish.

In the interest of safety and security Golden Bay High School requires parent permission for the publishing of student’s names or photographs on all school publications whether it is our own websites, Facebook page, newsletters, or material published about the school by outside organisations.

We believe it is important to celebrate children’s achievement, but are aware of the potential risks when such personal information or material is published on a global information system such as the Internet. Any work that the student creates is owned by them and protected under the Copyright Act 1994.

We will share, if given permission, no more than a student’s full name and/or photograph via the newsletter, the school websites or other outside media publications.

Please indicate your wishes by ticking the relevant box below:
