

Golden Bay High School Policy on Consumption of Alcohol

Groups who plan to have alcohol available at school or non-school events must have prior approval of the Principal. This approval will be considered when the following is provided in writing at least one month prior to the planned event:

- Nature of event
- Who will be served alcohol
- Quality and type of alcohol
- Evidence that relevant laws will be followed and alcohol will not be served to minors.
- Provision planned to ensure
 - Intoxication does not occur
 - Alcohol is only consumed in venue
- Provision of low and no alcoholic alternatives
- Provision of substantial food
- Provision of safe transport options

1. School Events

These are events organised by the school, or using the name of the school, and may be on or off the school grounds.

- Students are not permitted to purchase, supply or consume alcohol
- Alcohol can be consumed by adults but only in the arranged venue
- Staff are not to consume alcohol when they are responsible for looking after students. This also applies to other adults whose primary responsibility is to look after students.

2. Non-School Events

These are events that take place on the school grounds but are organised by a non-school group.

- Alcohol can be consumed but only subject to the conditions of the written approval.
