GOLDEN BAY HIGH SCHOOL NEWSLETTER

FROM THE PRINCIPAL, LINDA TAME

EDITION 18 MARCH 2022

Tēnā koutou katoa

It is hard to believe we are already over half way through Term 1!

Lunchtime activities

The pool is open for students to swim on Monday, Wednesday and Friday lunchtimes. It is a balmy 26 degrees, and the crowd of students that join in have a great time. We have a teacher with a Lifeguard Qualification and a member of the SLT on duty supervising.

Thanks to our Student Executive who have been running lunchtime sports for years 7 & 8 once a week on a Tuesday or Thursday lunchtime.

With the warm Autumn afternoons, many students are enjoying their own ball sports on the turf, court or fields.

Students are not permitted indoors at breaks unless the weather is bad. This gives the rooms an opportunity to be properly ventilated.

Building programme

Work on the gymnasium is continuing at pace, and to schedule, with the new structure in the middle section looking really good.

We are very grateful to the professionalism of the Naylor Love team who are doing their utmost to minimize disruption to learning.

Covid-19 update

Thank you very much to all who are supporting our school to remain open by keeping students at home when they are unwell. Some whānau are also choosing to keep students home who have been in contact with Covid-19, even though they are not household contacts.

I have also really appreciated hearing when a student or a household member tests positive.

Shona Erasmuson

This week we welcome Shona to our Administration team in the office. Before relocating to Golden Bay, Shona worked in various administrative roles at Garin College in Nelson for the past 16 years, including the last 7 as a highly respected Principal's PA & Office Manager.

Shona has been appointed permanent part-time, and will work in the main office from 12.30 to 3pm daily.

Brent Garrett

A huge thank you to Brent for taking on the role of part-time Caretaker and Cleaner for the past 9 months. His sense of humour and quick smile will be missed.

Brent will remain in Golden Bay working for Delta and we wish him well for the future.

Maramataka Matariki 2022-2023

In celebration of Te Ataarangi across Aotearoa & the 40th anniversary of Te Ataarangi ki Te Taihū (Top of the South), this beautiful maramataka (calendar) has been created by Robin Slow, a Mohua based, renowned contemporary Māori artist, & gifted by Robin & Rose.

This series of new artworks is focussed on Te Matariki (constellation) & Te Ao Māori (the Māori world), as Robin's gift to share with the wider community.

As a fundraising initiative, all proceeds will directly support learning of the spoken language for adults in Te Taihū, as a community-based Te Ataraangi Te

Reo Māori programme.

Don't miss this opportunity to grace your walls with this unique series of artwork by Robin Slow.

YOU NAME IT!
Takaka Youth Space

We're inviting young people aged 11-24 to create a name for a **new youth space** in Takaka township. This youth space will be a safe and vibrant place for young people to hang out and have fun.

Submit a possible name for the Takaka 'youth space' and be in to win a hamper of locally donated items

To enter:

1. You must be aged between 11-24.
2. Send your name suggestion to our instagram account @gbyouthspace, drop your name suggestion in to the Workcentre or email tullia@gbwct.org.nz for more information

Before you submit have a think about:

What are the things you care about the most?
What are your passions and values?

What do you like to do in your spare time?

What makes you unique as a young person?
What do you have in common with your friends?

Golden Bay High School - The Solar Generation

The money raised will be put towards the funding of a solar power generation system for Golden Bay High School (GBHS) with an anticipated cost of \$60,000.

Students attending GBHS are increasingly asking to play a part in responding to environmental, sustainability and climate initiatives.

The installation of a solar power system will be one of several ways the school and its community can demonstrate a commitment to the preservation and protection of the environment.
