GOLDEN BAY HIGH SCHOOL NEWSLETTER

FROM THE PRINCIPAL, LINDA TAME

EDITION 23 JUNE 2022

Tēnā koutou katoa

Cross country

Wasn't it fantastic to enjoy a whole school event! Thank you so much to all of the whānau who came and supported the great runners and the casual walkers!

There is much preparation involved in organising this successful event, even down to 'gardening' on the track. We want to acknowledge our neighbours for allowing us to use their land.

Results will be published next week

Congratulations Lani Murray

Congratulations to Lani who has been selected for the New Zealand Secondary Schools' Orienteering team. She will be representing us in Australia later this year.

Student/whānau/teacher hui

Thanks to all whānau who came along to these senior hui. There were a few things that were different,.. 5 minute interviews, separate rooms and a g-meet option. We have received positive and constructive feedback through the survey.

The junior hui will be held on Tuesday 5th July. Classes will finish for all students at 1.10pm

Lipsync

Excitement is rising for lipsync and staff have been polishing their

dancing shoes! It has been very challenging to put together this year, with so many student and staff illness related absences 'hitting' acts. A huge shout out to all involved for their perseverance!

There are limited ticket sales this year, and no door sales.

Thanks to the many people who have thanked us for providing a mask free and a wear a mask alternative. We are just trying to meet the needs of all of our whānau.

Gym back in action

The gym is almost complete and will be fully back in action from next term.

I will be offering guided tours on the evening of the junior student/whānau/teacher hui at 2pm, 3.30pm and 5pm. Just come down to the gym and I'll be there to show you around!

The funding for this upgrade has come from the \$200k special Prime Minister's fund, some capital works money and a large proportion of the school's property funding for the next 5 years. Ultimately, however, it has come from us, the tax payers!

I want to acknowledge the huge patience of the PE and Health staff teaching in awful weather without a gym, and the teachers in the classrooms near the noise.

Blenheim Netball Tournament

Last weekend the Golden Bay Netball Club sent an Under 18 rep team to the Top of The South Betty Woodham Netball Tournament in Blenheim.

Five girls from GBHS made the team, Hesta Davies, Maddy Holland, Catherine Hockley, Stella Scotland and Pippa Struck.

Also in the team were; Lilly Bain, Hayley Paige, Shikana Palmer and Amelia Swan. We had an awesome weekend.

It began by traveling to Blenheim in dull weather on Saturday hoping it would clear up by Sunday. We treated ourselves by going out for dinner, fueling our bodies for the following day.

Sunday started with breakfast and all of us getting our hair braided in matching hairstyles. The rain looked like it would hold off

when we started warming up for our first game which we were very happy about! We were up against Nelson first, knowing many of the players we knew this would be a tough game. Final score was 30-11 to Nelson though we were keeping up for the first half, they gained the upper hand for the following half.

The next game went much the same with a score of 42-11 to Marlborough, their height giving them an advantage. The game was fun though as it was very physical.

The rain didn't hold off and we ended up getting drenched while warming up for our last game. Out of some miracle the rain stopped just as we started playing. This caused us to play our best quarter all day though sadly the final score was 42-10 to Selwyn.

Overall we had an awesome day and played some great netball! Big thank you to our coach Sheree Peters, Manager Jess Miller and Organizer Annie Godsiff! *Pippa Struck*

We encourage all parents and whānau of Yr 7-10 students to book in hui times with their rangatahi's subject teachers.

These hui are an important opportunity in the first half of the year for you to have a conversation with your rangatahi's subject teachers so that we may work together to support their learning and achievement in 2022.

In that regard we expect the student to

attend, with no uniform required.

Please note some teachers will be conducting interviews via GMeet. Next week we will give you a list of teachers who will be doing hui via Gmeet.

The GMeets will run between 2pm and 6pm. After you book in with these teachers you will be sent an invite and a location at school where you can do the GMeet, if you chose to do them on site.

We look forward to seeing all Yr 7-10 whānau on Tuesday 5th July here at school.

TSS Supernet played recently.

The first game of the day was at 9.30am, and it was cold. They played against Motueka High School Tui, and the girls played really well together, they got the ball down the court nice and smoothly. Our defence was outstanding, having the ability to jump for rebounds made the lead even more, as well as the great intercepts throughout the court. We won 36-7.

The second game was at 12pm – so there was a bit of waiting around in between games. The second game was against Waimea College, and it was a tough one. The first 5mins were neck and neck but then Waimea pulled away. Waimea were well drilled in the attacking end of the court, but we made

some changes each quarter, which brought back some spark and communication, the girls fought hard to bring to score back to only 7. We lost 23-16.

The final game was brought forward to 2pm and this was also against a team from Motueka High School. This was a very close match, but fatigue was starting to show in all of the players, so changes were made each quarter, producing some new combinations.

Our girls were superb through the mid court, the defence was getting lots of height and producing a lot of turnover ball. We won 21 – 18. A huge THANK YOU to Clarissa for transporting the team and Amanda for coaching them. *(Submitted.)*

CROSS COUNTRY

Last Friday June 17th Golden Bay High School had its first school-wide event for this year; the Cross Country. This year students had the option of running the championship event 4.85 km or the Fun Run 3.2 km.

Official results will be in the next Goldie.

A special thanks to all the students that participated, staff that supported the event, the landowners that let us run across their land (Tristan Strange, Roger Scott, Tony and Valda Harris) and Judith who worked with me to co-ordinate the driveway access up Birch Hill. *Paul Skerten*

There are so many great photos; please find a few more on the next page.
