Cross Country

This was a great event!

I love our cross country. It is a real cross country! Whether students want to run hard, or enjoy the walk chatting to friends, it is great to see the whole school out enjoying our beautiful environment.

Thank you to whānau who came and supported our rangatahi.

Name of our school in Māori has changed

Manawhenua ki Mohua have gifted us the special name of Te Waka Kura o Mohua. (rather than Te Kura Tuarua o Mohua).

The concept of our school as a Waka is central to the design of our new buildings, and signifies, amongst other things, the learning and development journey of our students in their time at the school.

We are looking forward to inviting the community to the Blessing of the two big new buildings sometime in mid Term Four.

Attending school regularly

The internationally recognised standard for attendance is 90%. There is much research evidence that if a student attends less than 90%, their likely outcomes from school will be detrimentally impacted. 90% still means that by the end of Year 10, a student will have missed an entire year of schooling!

Thank you to whānau for supporting your students to attend school regularly (when they are well!).

ART

Year 10 Woodcut Prints achievement standard 1.1

We've had some amazing woodcut printing results from the year 10 Visual Art Department. They've created their woodcuts on an ancient story from Mohua, Ngārarahuarau, the Taniwha who lived in a cave in Wainui. Their prints will be part of their NCEA level 1 credits for year 11.

Inter-School Chess Competition, held at Nayland College recently, 2nd over- all. Exceptional effort.

The players in the team for this competition were Jack Haldane, Carlos Howard, Kieran Mountfort, and Will Tomlinson.

A big thank you to Roger Nokes, who gives up his time to coach students at GBHS and who took the team over to Nayland.

Whenua Iti Leadership Course

(photos below)

During the first week of the July holidays I attended the Whenua Iti Leadership course with Elizabeth Egan. There were students from other schools from the Tasman Nelson region.

My time at Whenua Iti Outdoors was absolutely amazing and an unforgettable experience. I got to do so many exciting things, like abseiling down a 100-metre tower and exploring caves in Upper Takaka. We stayed in tents and learned how to cook our own meals during the four-day camp!

The main focus of the camp was leadership development. I had the chance to lead group activities, teach others new skills, and learn about being a great leader. We did this through group activities, theory work and overall day to day life, like setting up tents or cooking dinner. These skills will be valuable not only in future leadership roles but also in my everyday life.

Besides the learning and adventures, I made wonderful connections with my fellow campers. We became great friends, and I know these relationships will continue long after the camp.

The most important lesson I learned was that a true leader doesn't have to boss people around. It's essential to listen to other's ideas and incorporate them into whatever task or leadership role you take on.

CROSS COUNTRY

Last Friday we had our cross-country event. It was a beautiful day filled with adventure through our course and showcasing the true spirit of our students. The enthusiasm and participation were simply outstanding, creating an atmosphere of excitement and unity among the houses.

We extend our heartfelt gratitude to our dedicated staff who played a vital role as marshals, ensuring the safety and success of the event.

Let us not forget to express our deepest appreciation to the generous landowners, Tristan Strange, Roger Scott, Tony and Valda Harris. Their graciousness allowed us to organize this incredible event in such a stunning location, making it a truly unique experience for all.

Congratulations are in order for our talented champions who gave their all in each grade. Join us in applauding Archie Darwen and Iyla Lamason, the Senior Boys and Girls winners, Lucas Palmer and Ruby Darwen, the Intermediate champions, and our Junior champions Saxon Bowden and Georgia Tinkler. Their achievements are a testament to their dedication and perseverance.

Once again, thank you to everyone who made this event an astounding success. Let's cherish the memories and look forward to more incredible moments in the future!

Queen Charlotte College Sports Exchange

On the 27th and 28th July 31 students went to compete in a Sports Exchange with Queen Charlotte College. QCC are a dominant force when it comes to sports, but we had some close games with Girls Basketball, Girls Volleyball and drew with the Boys Football.

We had some success with Badminton with Tarn, Tim, Noah, Krishna and Hester winning their singles. Noah and Krishna also won their doubles.

We had a great game of Ki O Rahi, coming out on top! Wahoo.

It was noted by QCC as to how respectful our students were, and the sportsmanship shown was outstanding. Presentation of our Powhiri was also exceptional. Well done to all!!!

A huge thank you also goes out to Dave Scotland for helping us out too.

Results:

Girls Basketball: 41 to 35 them

Boys Basketball: 75 to 26 them

Girls Volleyball: 2 sets to 1 them

LOST PROPERTY

There is still a lot of lost property.

Thank you to those students who collected items from the display on Tuesday.

We will lay the items out again next week.

In the meantime always feel free to come and collect items from the office lost property room.

Parents please encourage students to have a look. We will be taking unnamed clothing to Trash Palace at the end of August.

The Youth Sewing Project with Margy Meys and Lydean Herman

starts again for this term on
Wednesday the 19th of July,
from 3.30 to 6 pm in the
Home Economics room.

This project is funded by Mohua Social Services and has been running for the last 14 years. Our aim is to provide a fun relaxed space where young people can come and learn to sew anything from a pencil case, funky toys, wearable arts, costumes, revamp existing clothing or make whole new garments.

Cost \$5.

All materials provided.

Beginners and experienced sewers welcome.

Any questions please phone Margy,
