Course Selection

Students in Year 8 and 9 select their following year's optional courses in Term 4 after an options evening in November. These options include Spanish, Māori, Adventure Education, Recreational Studies and Project Based Learning.

In Years 10, 11 and 12 students are provided with information about the following year's courses at an information evening in September and this is followed by an individual course selection hui with whānau to ensure that choices being made for the following year are appropriate to student goals and aspirations.

Senior School Qualifications

Students from Year 11 upwards will work towards the *National Certificate of Educational Achievement (NCEA)* at Level 1 (Year 11), Level 2 (Year 12) and Level 3 (Year 13). In addition they can gain credits towards NZ Certificates in vocational areas while they are still at school. See the Course Information Booklet for more information on qualifications.

Work Outside Of Class

This is intended to:

- Solidify learning, especially through practising skills that have been taught.
- Ensure that practical and theoretical work are mutually supportive.
- Ensure students are well prepared for their next lessons.
- Develop study skills, including organisation and motivation.
- Ensure that the syllabus is covered as fully as possible, while making best possible use of teacher-student contact time.
- Ensure that the essential work not covered during school time is completed in students' own time.

Education Outside of the Classroom (EOTC)

The school organises a comprehensive EOTC programme each year. Each trip is carefully planned with the needs and strengths of each particular year group in mind. In some instances this programme may be changed because of the mix of students, the staff available and other factors.

In 2024 our tentative programme is:

Year 7	Teapot Outdoor Education Camp
Year 8	Abel Tasman National Park
Year 9	Ski Day Patarau Camp
Year 10	Ski Day Activities Days
Year 11	Work Experience Rotoiti Camp
Year 12	Tertiary Investigation & Work Exploration

Please contact the Guidance Counsellor or the teacher in charge of the activity if finance is a problem.

Many subjects have field trips to apply classroom learning in the wider environment. Those field trips held in Years 11 – 13 are detailed in course information booklets. In addition there are school exchanges and cultural activities.

Ready for Work Programmes

Using our relational approach to learning, we consider the needs of our students on an individual basis. Most will leave the Bay for further education, training or work. We make a special effort to help them in this difficult transition, through Work Exploration for all students and 'STAR' courses.

We are proud of our student record relating to placements and successes at tertiary level. Our students tend to have a good work ethic and good conversation skills, as well as optimism for the future.

Students are encouraged to set goals and plan for the future, accept responsibility for determining the quality of their lives and understand how they can benefit from the experience of both success and failure.

- *Career Education* – Year 10. Interests, strengths, career choices and subject choices for Year 11 are considered.
- *Ready for Work* is a subject option for Years 12 and 13. This course aims to help students develop necessary life skills in areas of communication, independence, areas of the law, career planning etc.
- Courses which introduce students to vocational pathways are actively promoted to enhance future opportunities.
- *Gateway Courses* in Years 12 and 13.

Learning Support

Our Learning Support personnel develop and provide programmes specific to the needs of children with a variety of learning deficits or special aptitudes. Disabilities range from severe impairment to just one area of learning difficulty, while giftedness can require an extension programme.

Teachers, Learning Assistants and Learning Support Coordinators staff the Learning Support Department. They use a wide range of diagnostic techniques to monitor students' progress. In addition, they:

- Design suitable programmes.
- Make appropriate resources.
- Have regular conferencing with staff.
- Hold Individual Education Plan meetings.
- Generally provide an environment that supports and motivates the learners.

If you have any concerns about your child's performance, please contact the Assistant Principal in charge of Learner Support, Mr Tindling.

Devices and Networks

1:1 Learning Device Information

We are committed to ensuring our students graduate with the skills and attributes they need to thrive in a world where change is happening at a very rapid pace and the future is unknown. The intention is that 1:1 Learning Devices (Chromebook or Laptop) will be used as a learning tool, to varying extents across different subjects as appropriate, but not to replace all pen and paper work.

Google Workspace for Education

Golden Bay High School makes use of the Google Education collaborative tools for learning anywhere, anytime, any budget. With Google Workspace for Education and Classroom, teachers and students can work on their own or collaboratively, wherever they are and on any device.

Learning Devices

Students are to bring their own Chromebook or Laptop (Windows or Apple) to support and enhance their learning. A cell phone or iPad is not deemed as an appropriate device for this purpose. Every student device needs to have the Google Chrome browser installed to make full use of these tools.

When considering purchasing a new device, it is important to keep in mind how the student is going to use the device. A Chromebook is fast and reliable and offers a full Internet experience with the Google Chrome browser, while a laptop may be better for a senior student or a student that is interested in photography, video editing or gaming.

Chromebook or Laptop (Windows or Apple) devices are good for school use and should:

- Be lightweight and sturdy.
- Be in a protective carrying case.
- Have 5-6 hours of battery power (preferably more) with easy options for charging.
- Have built-in wireless capability.
- Have the ability to connect to the Internet with Google Chrome browser

(this is the browser that we use at GBHS due to compatibility and advanced security).

- Offer sufficient storage for documents, photos and videos.
- Have a screen size of no less than 10”.

For the few students that cannot afford a Chromebook, we may be able to assist with a loan device for a period of time.

Device Purchasing

We have special pricing from PBTech available for Golden Bay High School. PBTech are offering finance options for those parents wishing to pay off the Chromebooks. ProtectIt Insurance is optional.

To order any of these offers online please go to:

<https://www.pbtech.co.nz/education/byod> and select Golden Bay High School.

The code to unlock the deal is **GOLDENBAYHS**.

Device Information

When considering a 1:1 Learning Device, please also bear in mind that the students will be responsible for ensuring that it is kept in good working order. All devices must be labelled and in a protective case. The school's ICT support can provide assistance in connecting devices onto the wireless network, but will not provide ongoing technical support.

- All students and parents must sign the Digital User Agreement before students can connect to our network, use the Wi-Fi and use their Google Workspace account.

Further information about Chromebooks can be found here:

<https://www.google.com/chromebook/>

More information about 1:1 Learning Devices, can be found on our website:

<https://www.gbh.school.nz/byod-and-wifi.html>

Staying Safe Online

We recommend all parents visit [NETSAFE.ORG.NZ](https://www.netsafe.org.nz) website. It is an excellent source of information for parents and students on how to keep safe when online.

Computer Network

Golden Bay High School has a fully integrated, stable, gigabit fibre-optic network. We are connected to the Ministry of Education's fully funded N4L Managed network, via fibre. It is fast and the internet connection performs with more than enough capacity to meet our students' changing needs.

We have a BYOD programme in place with 1:1 Learning Devices compulsory for Years 7 to 13 in the form of a Chromebook or Laptop (Windows or Apple).

We also have Linewize Internet Filtering in place to provide the most up-to-date protection possible from unwanted content and malicious threats. The software records all sites visited by students and staff. VPN'S are not permitted on any device used at school.

A part-time Network Manager and a part-time Computer Technician are onsite to maintain and develop the network.

Guidance Network

Our school Guidance Network involves all staff. Form Teachers, Deans, Heads of Departments, Deputy Principals, Principal and the Guidance Counsellor are all involved in the pastoral care of our students, and are committed to meeting their individual needs.

While our students are our main concern, we also try to meet the needs of parents and other caregivers. This is done through the Home and School Association, workshops, report evenings, newsletters, our Facebook page and other forms of communication, which we hope parents find valuable.

The school also has an excellent student/whānau support hub on the school website which has many useful links to support networks.

See <https://www.gbh.school.nz/studentwhanau-support-hub.html>

Please feel free to contact the school if you have any concerns: it is usually better to deal with a problem in its early stages before it becomes too serious.

Counselling at Golden Bay High School

In this world, there are many different experiences that can be difficult for people to cope with. Most of the time, we get on with life. Sometimes we are stopped in our tracks by an event or situation that we may not, at that moment, have the resources to manage. Counselling is a useful option that enables people to tell their stories in ways that make them stronger and is an opportunity for people to:

- Gain insight, awareness and self-acceptance.
- Discover and extend their skills, knowledge and strengths.
- Explore difficulties, concerns and extend their ability to discover solutions and resilience.
- Become better able to develop and maintain meaningful and satisfying relationships.
- Move in the direction of their potential hopes and dreams.

In counselling, students can talk about any problems or concerns in a safe place with somebody who will support them. Counselling is free, voluntary and

confidential. Students can decide what works for them, how frequently they attend appointments and for how many sessions. They can also bring a support person or friend if they wish.

A Counsellor can help students to:

- Explore emotions, thoughts, and behaviour.
- Become more self-aware, identify values and what motivates them.
- Plan and set goals.
- Improve their relationships.
- Reduce their stress.
- Develop their sense of well-being.
- Do things differently.

A Counsellor may:

- See them on their own or with support people.
- Give them information.
- Discuss with them who they could talk to about their difficulties.
- Act on their behalf with their consent.
- Refer them to someone more appropriate.
- Promote healthy communication between families, peers and staff.
- Provide student advocacy, mediation or restorative practices.
- Access support from a variety of external agencies and social services.

A Counsellor is expected to:

- Be trustworthy.
- Respect their confidentiality.
- Listen to them carefully and sensitively.
- Help them sort out how they would like things to be different.

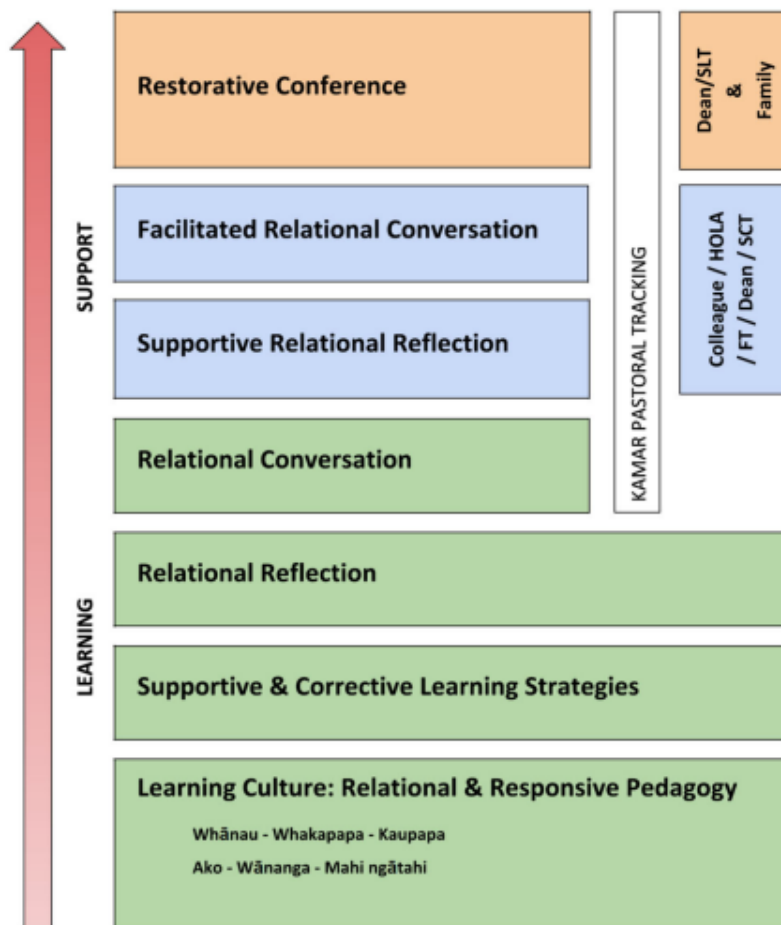

Students can make appointments in the following ways:

- Ask their Form Teacher, Dean, or another member of staff who they trust.
- Email me on **abbey@gbh.school.nz**.
- Text their name and form class to **027 352 0232**.

DEVELOPING LEARNING RELATIONSHIPS

At GBHS we are striving to forge positive relationships so that all students have the opportunity to be passionate and creative in their learning.

Strengthening our learning relationships through structure, expectations, support and care.

Manaakitanga Whanaungatanga Kaitiakitanga Wairuatanga

Relational Learning

Learning the relational way allows our students to build and maintain healthy, respectful and kind relationships with their teachers and their peers in order to better prepare them for their future endeavours.

The essence of relational practices is disarmingly simple: that human beings are happier, more productive and more likely to make positive changes in their behaviour when those in positions of authority do things with them, rather than to them or for them.

Adapted from Wachtel 2004

Learning the relational way better supports student skill development in literacy, numeracy, digital, cultural competency, critical thinking and participation. Through a relational way of learning our students are encouraged to grow personal qualities in resilience, sociability, strong work ethic and open mindedness.

"It is teachers who have created positive teacher – student relationships that are more likely to have the above average effects on student achievement."

John Hattie

These strategies foster the school values of Manaakitanga, Wairuatanga, Kaitiakitanga, Whanaungatanga.

Supportive Learning Strategies

These strategies are low key, subtle reminders of expectations. They intentionally aim to minimize drawing attention to misbehaviour and, they place the responsibility for behaviour back on to the student. In this way they facilitate consideration and respect and encourage personal responsibility.

Corrective Learning Strategies

These strategies are used to give assertive verbal messages when unacceptable behaviour persists that is affecting learning in the classroom or life at school. Corrective learning strategies are used to constructively remind students of appropriate behaviour and should outline clear expectations for the student moving forwards.

Relational Conversation

For ongoing and unresolved issues that are impacting learning or life at school, a relational conversation may be needed. The aim is to explore the problem with the student, establish the harm that has been caused and who has been affected. There is a three step process to a relational conversation:

1. **Preparation Phase** – this involves gathering evidence and making sure that all parties are ready for the conversation.
2. **Participation Phase** – the conversation.
 - a. **T – Tell the story.** What happened?
 - b. **E – Explore the harm.** Who do you think is affected? In what ways?
 - c. **R – Repair the harm.** What needs to be done to put things right?
 - d. **M – Move on.** How can we make sure this does not happen again?
3. **Follow-up Phase** – touching base and following up on agreed undertakings, with further support and guidance where needed.

Facilitated Relational Conversation

The Facilitated Relational Conversation can be called for by students or teachers, where parties need support to have the relational conversation in order to move forward. It may also be used with behaviour management that has taken place outside of the classroom. The facilitated relational conversation may be necessary when earlier obligations are not being met or where relationships have broken down to a point where support is needed to move forward.

Exploring the issues through independent parties can be extremely helpful in difficult situations.

Facilitators could be one of the following: Dean, Heads of Learning Areas, Deputy Principals or Counsellor (Abbey Gilligan) or another teacher. A facilitated conversation follows the same process as that used in the Relational Conversation. The outcome will be a learning plan or future expectations for the student.

Extra Curricular Activities

Cultural and Sporting Activities

All students are encouraged to take part in activities outside the classroom.

- We have a winter sports exchange with Queen Charlotte College and participate in several tournaments.
- We offer individual music tuition and depending on demand can provide tutoring in some of the following: brass, clarinet, flute, guitar, recorder, saxophone, keyboards and drums.
- We currently offer the following sports and activities: Athletics, Badminton, Basketball, Rock Climbing, Cricket, Cross-Country, Hockey, Netball, Rugby, Soccer, Swimming, Table-Tennis, Volleyball, Ki-o-Rahi, Caving and Chess.

Service

Senior Leadership Opportunities

All Year 12 and 13 students can become Senior Leaders, taking on a variety of activities and responsibilities throughout the year.

Activities include "Big Brother Big Sister", mentoring, sports coaching and assistance, representation of the school, etc. Involvement of this sort helps to develop the skills such as leadership of the senior students while providing positive contact between them and younger students, encouraging both groups to participate fully in school life.

Student Executive

The Year 13 Executive and Head Students are selected using student votes, teacher references and an interview.

They are responsible for running a variety of events, and for providing regular feedback to school leadership.

Facilities

The Library

Librarian, Angela Berkett, is available during school hours to help students find recreational reading, relevant material for research and support classroom teaching. Senior students wanting to work in the library when there is a time-tabled class in there should be courteous and check with the class teacher.

To keep up with what's happening in our Library check out the Home Page on the library website: <https://gbhslibrary.weebly.com/>.

Canteen (Te Whare Kai)

The Canteen is open on Thursday and Friday on site for lunch and morning tea. There is no student access to the shop across the road from school (unless in Year 12 or 13).

Swimming Pool

We have a 25 meter, 6 lane outdoor heated pool.

Gymnasium

The gym is used for Physical Education and Sports including: basketball, netball, badminton, volleyball and indoor football.

International Students

Each year we welcome fee-paying students from other countries, most commonly Germany, although in the past we have had students from a variety of other countries. We value the international perspective they bring to our small community and the friendships that are made help bring an awareness of other cultures.

Detailed information is available on our website.

Student Support Fund

Financial hardship should not stop a student from taking part in any school activity, such as field, sport or cultural trips. There is a Student Support Fund available to assist. Please contact the Guidance Counsellor or teacher in charge of the activity if finance is a problem.

Students will be asked to remove non-regulation items where possible and continued breaches of the rules may result in items being confiscated for the day. Parents can expect to be contacted if the uniform is incorrect.

Home and School Association

We are a small, fun, committed and innovative group of parents joined by a teacher and the Principal. Our main task is to raise funds for the benefit of the whole school.

- We ensure that the parents' voices are heard and promote co-operation between Home and School.
- We aim to have as few meetings as possible but have regular email discussion.
- Most recently our main fund raising projects have been stationery and uniform sales.

New members are encouraged and welcomed. Contact the main office or the school website for more information.

Behavioural Expectations

The following are prohibited at school:

- Cigarettes and tobacco, vaping equipment, alcohol, solvents, illegal drugs and chewing gum.
- Knives and other such instruments, firearms and other weapons.
- Chemicals, matches and lighters, and any item that violates the law of the land.

Leaving the School Grounds

Students in Years 7 to 12 may leave the school grounds only if:

- They are going home for lunch. If the student goes home for lunch regularly they should bring a note from home at the beginning of the year, and this will be kept at the office once the Form Teacher has signed it.
- They have permission from their Form Teacher, supported by a note from home. This note should be signed by the Form Teacher and brought to the office when signing out.
- They have special permission from a Deputy Principal or Dean of their Year level.

Year 13 students granted permission to do schoolwork in their own home during timetabled study periods must use the Exit process every time.

ALL students leaving the school grounds for any reason must always sign the EXIT book, and sign in when they return to school. (This is for safety reasons).

School Transport

Start of the school day

It is recommended that students arrive at the bus stop locations at least 5 minutes prior to the pick-up time. School buses arrive at GBHS around 8.30am.

End of school day

At the end of the school day (3pm), students using the school buses will need to get to the bus line up area off Rototai Road. There will be a staff member that will let students on to the buses. Buses leave GBHS around 3.10pm. It is the caregivers responsibility to get their children to pick-up locations and to collect them from drop-off locations.

Safety and behaviour for students using the school buses

Getting on the bus:

- Wait in the designated place – well back from the road
- Wait until the bus stops before approaching
- Carry your bag in front of you so it doesn't get caught in the door or on the seats
- Sit down straight away and remain seated for the whole journey

On the bus:

- Follow all instructions from the bus driver
- No eating, drinking, smoking or vaping
- Bullying and harassment of any kind will not be tolerated
- Don't shout or in any way distract the bus driver
- Respect the bus company's property
- Respect other passengers
- When seated, wear a seatbelt (if available) and put your bag on your lap or under the seat in front of you

Getting off the bus:

- Wait until the bus stops before leaving your seat
- Carry your bag in front of you so it doesn't get caught in the door or on the seats
- Step off the bus carefully - no pushing
- Wait well back from the road until the bus has moved away
- If you need to cross the road, only cross when there is no traffic in either direction. Always look both ways, then look again before crossing the road.

For Bus drop off and pick up times and any other transport related questions, please contact the school bus controller, Dan Padial - dan@gbh.school.nz

FAQS – What to Do

If something is lost or found:

Lost property is quickly returned ***if it is named!***

Unnamed articles will go into the lost property store and if not claimed will be given away to charity. If a student has lost an article of clothing, they may go to the office and have a look for it. Valuables (watches, jewellery etc.) in lost property will be kept at the office. There is also a lost property in the gym for items found there, so try there too.

If a student finds something that has obviously been lost or left behind, please take it to the office and they will try to find the owner.

If a student can't wear the correct uniform:

They should see their Form Teacher before Period 1. They must have a note from home explaining the circumstances.

If a student is sick or absent:

Notify the school by ringing the Office on 525 9914 or texting or calling the absences phone on 027 9235931.

Parents should ring the school office in the morning before classes to let us know if their child is away.

If a student needs to leave the school grounds during the day (for any reason):

The student needs to bring a note from home explaining the reason, and get their Form Teacher to sign it in the morning. When they leave, they put their note on the spike at the office, sign the 'Exit' book, and write down the time that they left. Remember to fill in their return time, *when they return* to school.

Those who go home for lunch regularly may bring a note at the beginning of the year which will be kept in the notebook, ***but they must still sign out, and in, every time.***

If a student is ill or hurt during the day:

They should go to the office. The office staff will make the best arrangements for them.

If a student has problems:

See the Dean of their Year level or see Abbey Gilligan (School Guidance and Support). For employment advice see Mr Batten (Careers).

The guidance office is in Te Whare Manaaki. If no one is there, students can leave a note and they will be contacted.

If a student wants to change their course:

The student must get permission from the Dean of their year level. After consultation with their parents, Ms Stopford – Deputy Principal (in charge of the timetable) must be informed in writing.

If a student wants to learn to play a musical instrument:

There are a range of instruments funded by the school through tutors. Private tutors offer instruction within school time for a fee, including drums and orchestral instruments. Information will be sent to parents in Term 1.

If a student is going to leave school:

The student needs to collect a leaving form from the office and follow the instructions. If the student wants a school testimonial they must apply early. They get these forms from their Dean.

Please keep this booklet handy so you can refer to it when needed.
